

A Word From Our Pastor

Welcome to the web page of Grace Lutheran Church. Grace is located in Holiday Island about five miles north of Eureka Springs, Arkansas. We serve God and the people of our communities in the beautiful setting of the Ozarks. However, our greatest beauty may be found in our people and in the Gospel of Jesus Christ. Many of our members have come here to retire. They come from many places in this country and from varied experiences. These people are still active – often very active – in their lives, in the church and in the community.

While our people represent varied backgrounds, we have formed our own “family” here at Grace. One of the advantages of a small congregation, which we are, is that people get to know one another and get a feeling of closeness and family. We are concerned for each other and our people help where ever they are able, not only in the congregation, but in the community as well. There are many ways to serve as our Lord has told us we should do.

As God’s people we gather around His Word and Sacraments for there we find direction, encouragement, comfort and the grace of God at work. It is our privilege to share the Gospel with all according to our Lord’s command. This includes the many visitors who come to Eureka Springs. If you are visiting for a long or short time, we invite you to join us here at Grace. Come and worship with us and share the fellowship of our Lord – and if you are looking for a place to retire, talk to our people here about what they like about this area.

We wish you God’s richest blessings in Jesus Christ our Lord and Savior. We look forward to having you visit us. If you have questions about our congregation, please drop me an e-mail. God’s grace go with you all.

Pastor Kenneth Haydon
